Price Index of Drugs

589. SHRI MIRZA IRSHADBAIG: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to refer to the answer to the Unstarred Question 265 given in the Rajya Sabha on the 18th March, 1985 and state:

(a) whether it is fact that three out of twelve drugs which constitute the basket on which the price index is based, are obsolete and another three drugs arc of peripheral importance;

(b) if so, how far these drugs still reflect the correct index;

(c) whether it is also a fact that price increase of even simple remedies such as Vicks Cough Drops, Halls Lozenges, Strepsils, Glucose, Burral Ointment, Rubex Ointment is between 78 per cent to 200 per cent •ince 1979 and between 1000 per cent is 300 per cent increase on Oirvin Drops Tokavyme, Merckenyme, Unienzyme Malzyme and well known tonicks;

(d) if so, what were their prices in 1979 and what are their present prices and

(e) what was the production of these twelve drugs and what was annual sales turn over of the formulations based on these drugs during the last three years; year-wise and what is the total annual sales turn over of drug formulations for the same period?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI VEERENDRA PATH,): (a), (b) and (e) The names of 12 bulk drugs sales and prices of which are reflected in the Wholesale Price Index were given in reply to Rajya Sabha Unstarred Question No. 2665 answered on 18th March, 1985. The prices of these drugs in 1970-71 from the Base. Government have already taken up the question of revision of thf Wholesale Price Index. This Ministry monitors the production of 87 bulk drugs in the organised sector. Details of production of bulk drugs or published in the performance budget of this Ministry, copies of which are available in the Parliament Library. Sales turn-over of individual formulations is not monitor in the Minstry.

(c) and (d) Information to the extent available is given in the attached Statement.

Statement
